*June 2009*

### **Dear Subscriber**

It is with great excitement that we announce that it is National Epilepsy Week from 15-21 June, next week.

The National Office will execute a media campaign and aim to drench the South African media with messages of rights for people with epilepsy. You can subscribe to receive articles that will be released on the internet daily. It will be accompanied by a short video (youtube) to explain the right of a person with epilepsy and it will also be available on our Facebook page as well as this electronic newsletter. If people are interested in receiving all of this, they must subscribe on our website [www.epilepsy.org.za](http://www.epilepsy.org.za) !!!
